

Mobility for Europe

Our Mission

> Mobility for Europe

Through an efficient, customer-oriented, sustainable and integrated transport system

Our Self-Conception

> The German Transport Forum

- is the only multi-modal transport industry association in Europe

> We campaign for

- the preservation and improvement of mobility as a basic prerequisite for growth and employment

> We incorporate

- enterprises and associations, manufacturers and service providers, consultants and consumers
- 170 members, representing the entire value chain

> We link

- the transport sector with other branches like energy, construction, telecommunication, finance and consultancy

> We campaign for

Our Objectives

Acceptance

- Recognition of the importance of transport and mobility

Infrastructure

- Efficient infrastructure as the basis for a prosperous business location Germany and Europe

Environmental protection

- A comprehensive and balanced approach to the reduction of CO₂ and noise

Integration

- Interconnected systems to boost the strength's of each transport mode

Customer-orientation

- Safe and secure customer-friendly and affordable mobility

Logistics

- Maintain Europe's position as a top logistics location

Competition

- Level playing field for all transport modes – nationally and internationally

Our Structure

Dr. Jörg Mosolf

> Presiding board

- Chairman
Dr. Jörg Mosolf
- 21 CEOs of leading companies and associations

Our office

Dr. Heike van Hoorn
Managing Director

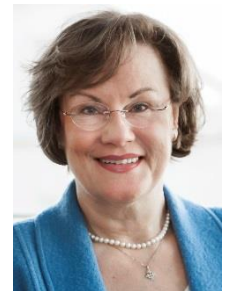

Ingrid Kudirka
Director
Press & Public Relations

Rainer Schätzlein
Director
Häfen/Schifffahrt
Luftverkehr
Straßenverkehr
Umwelt und Energie

Ute Emminger, Ass. to MD

Petra-Marina Kopmann, Sekretary

Dr. Florian Eck
Deputy Managing Director
Infrastructure
Freight haulage and logistics
Digital Network

Sarah Stark
Director
European politics
Rail technology
Rail traffic

Irmgard Kirstgen
Director
Eventmanagement

Erika Borbély-Hansen, Sekretary

Our topics

> What we aim for

- Future-oriented infrastructure
- Effective environmental protection
- Efficient freight transport
- Interconnected and safe mobility
- International competitiveness

Our topics

> European Topics

- Develop Infrastructure – integrate the transport system
- Reduce red tape – minimise regulation
- Expand harmonisation – promote liberalisation
- Provide for sustainability – protect resources
- Support key technologies – strengthen Europe's economy

Our Activities

> Interest Group

- We tie up the interests of the transport economy vis-à-vis politics, media and the public – in Berlin and Brussels

> Network

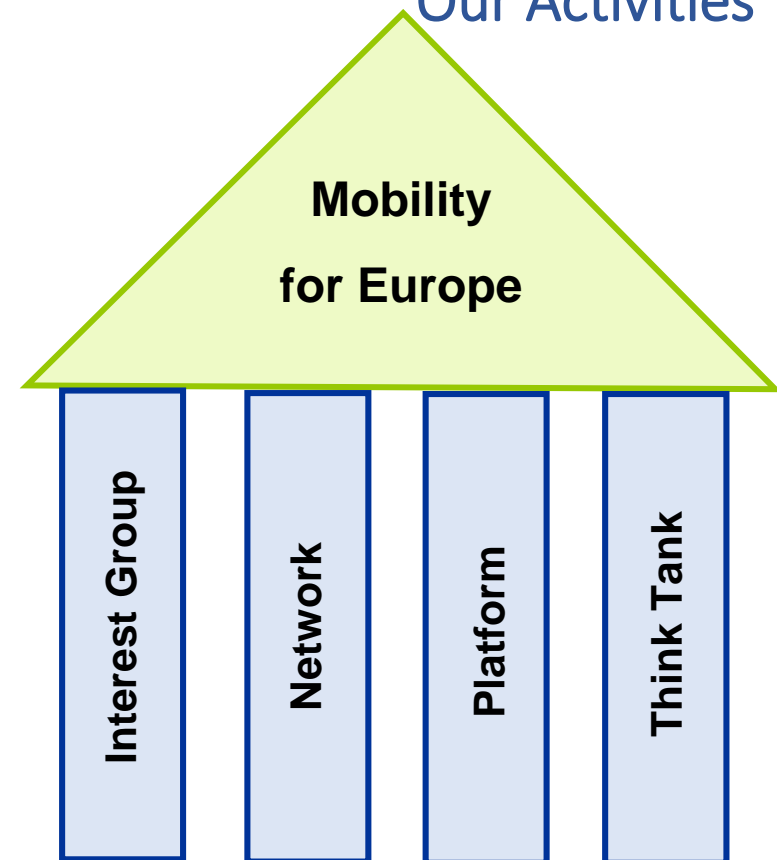

- We bring together national and international decision makers from politics, economy and society

> Platform

- We host meetings and discussions and we generate dialogue

> Think Tank

- We work out positions and strategies

Interest Group

> Events

- To our members we offer more than 30 parliamentary evenings, lunch debates, symposia and meetings of steering committees and working groups per year
- We provide professional exchange and the opportunity for networking between enterprise representatives, politicians, scientists and experts in Berlin and Brussels

Network

> Enable exchange

- We foster the dialogue on transport policy with national and European decision makers
- We focus on the German Federal Government and Parliament, the Federal States, the European Commission and Parliament

Platform

> Guests attending one or several of our more than 30 events

Sören Bartol MdB | Steffen Bilger MdB | Guido Beermann | Violetta Bulc | Jörg Cezanne MdB | MinDirig Dagmar Busch | Enak Ferlemann MdB | Knut Fleckenstein MdEP | Matthias Gastel MdB | Jens Gieseke MdEP | Torsten Herbst MdB | Winfried Herrmann MdL | Thomas Jarzombek MdB | Stephan Kühn MdB | Kirsten Lühmann MdB | Daniela Ludwig MdB | Oliver Luksic MdB | Cem Özdemir MdB | Christian Pegel MdL | Dr. Markus Pieper MdEP | Ingrid Remmer MdB | Dr. Gerhard Schulz | Svenja Schulze | Dr. Wolfgang Schäuble MdB | Rita Schwarzelühr-Sutter MdB | Frank Sitta MdB | Andreas Scheuer MdB |

> 8 steering committees

- All steering committees meet twice a year – participants belong to the senior and CEO level of our member companies
- They provide for direct, first-hand exchange with State Secretaries, Members of the Federal Government, Members of the European Parliament as well as DG's and scientists

> Strategies and positions

- Out of the committee's work position papers and strategies are being developed

Think Tank

> Steering committees and chairman

- Rail technologie
- Freight haulage & logistics
- Ports & shipping
- Infrastructure
- Air transport
- Rail transport
- Road traffic
- Digital network
